"Just the one box of Foley Kidney Pills relieved my backsche.—J. W. Etris, Etris, Gh.

"Last year I was sufferfing with a terrible backsche." writes J. W. Etris of Etris, Gd. "Every time. I'd lean or stoop over or to one side, I'd have a painful catch in my back just over my kidneys. I tried medicines with no good results. Hought a bottle of Foley Kidney Pills, and just the one box entirely relieved my backache. It has been some time since I took them, so I think I am well."

Weakened, overworked, stopped-up kidneys cause stin joints, sore muscles, rheumatism, sleep disturbing bladder allments, billousness and various other ills. Foley Kidney Pills are a scientific medicine, compounded to clear the kidneys and restore them to healthy action by dissolving and driving out of the system the waste products and poisons that cause kidney trouble and badder allments. Federal Legislation Aids.

Further than that, the no-license men say that federal legislation has aided them in taking out the foundation from the claim that a no-license vote in one town amounted to little so long as a larger one near it voted for license, inasmuch as liquor could be shipped from the "wet" to the "dry" towns with little trouble, whereby the "dry" town was irrigated by streams from the "wet" one and received no license money by way of compensation. Now that the federal law prohibits the shipping of liquor from "wet" to "dry" areas and prchibits the circulation by mall of liquor advertising in no-licence territory, the no-license men feel that they are due to make many gains.
